Learn how technology is programmed!
Gain problem solving and logical thinking skills!
Make new friends!
Have loads of fun!

WHEN
3:30-4:30pm
Every Tuesday

WHERE
Multimedia Lab - J119

Parents and Guardians:

Your student has been invited to participate in Kyrene Middle School's After-School Coding Club. This program is funded through State Farm and is **FREE** of charge to all participants. The club coordinator is Mr. Michael Davison.

Coding Club is a fun way to learn the basics of computer programming, including game and app design. The purpose of this club is to build interest in coding and requires absolutely no skills or knowledge in coding to take part in the after-school program.

Kyrene Middle School's After-School Coding Club will be held in the Multimedia Lab every Tuesday after school from 3:30-4:30pm.

Transportation: Parent pick up will be in the front of the school at 4:30. An activity bus is provided to take students home after the program. Please indicate the mode of transportation your child will take after the program.

_____Parent Pickup _____Activity Bus _____Walk _____Bike/Skateboard

To have your student participate in the After-School Coding Club, please fill out and sign with permission slip ASAP, as space is limited. If you have any questions about the program please contact either Mr. Michael Davison mdavison@kyrene.org or Mr. Dino Katsiris kkatsiris@kyrene.org
