

CASS Writing Assessment

CASS Writing Genre from the Curriculum
Available for Writing Genre Assessments 2009-2010

Teachers are provided this list so that they can plan opportunities for students to learn the genres prior to assessments.

This list contains the genres (applications) that are targeted for possible assessment in 2009-2010. These genres are listed in the curriculum as mastery performance objectives at the grade level. However, expectations or mastery performance objectives include other genres listed in strand 3. Genre specific writing is evaluated according to the 6-Trait Analytic Writing Rubric.
