The Kyrene School District requires users of District facilities to fully comply with the requirements of Section 504 of the Rehabilitation Act of 1973 and Title II of the American with Disabilities Act of 1990. Section 504 provides "No qualified handicapped person, shall on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity which receives benefits from Federal financial assistance," See 29 U.S.C. 794, 34 C.F.R. Part 104. The ADA contains similar prohibitions against discrimination on the basis of disability. See 42 U.S.C. SS 12131-12161, 28 C.F.R. Part 35. Students with disabilities who meet the essential eligibility requirements of the Kyrene Community Education Programs will be permitted to participate in the Programs. Reasonable modifications will be provided to afford a student with a disability meaningful access to the Programs, unless the District can demonstrate that the modification would be a fundamental alteration in the nature of the Program, or constitute an undue financial and administrative burden. Any student, including students with disabilities, may be removed from a Program if that student, even with reasonable modifications, is so disruptive to the Program that other students cannot participate in the Program or are in danger.
