

# Kyrene del Norte Dual Language Academy

"The function of education is to teach one to think intensively and to think critically. Intelligence plus character - that is the goal of true education.

### Dismissal Procedures in case of Inclement Weather

In case of inclement weather such as a storm, our plan for dismissal will be different from any regular day. Please read the following carefully:

#### For family pick-up and family walk-up:

Parents should stay in their car and drive-up to the family pick-up area. We will not walk any student to the family walk-up area. Our staff will hold the students inside the building and dismiss students according to the cars that are lined up waiting. Students will be escorted by a staff member to the car waiting in line at the family pick-up area. Thank you in advance for your patience as we keep your child safe during dismissal.

#### For Bus and Daycare van:

Students will be kept in the building and escorted to the bus or daycare van through the front entrance of the school.

#### Walkers and Bicycle Riders:

Parent will need to pick up the walkers and bicycle riders. We will hold the student with the rest of the family pick up students.

#### For morning drop-off:

Students will not play outside on the playground. They will be directed into the building.

### Afterschool Transportation Changes

We do realize that emergencies happen but if you have a last minute change in afterschool transportation for your student please call the office by **12:00pm on regular days** and by **10:00am on Wednesday, Early Release day.**

It is important to avoid interruptions in the classroom during instructional time. If you know about the change in the morning a note or email to the teacher is also effective.
