

FOR IMMEDIATE RELEASE: January 27, 2009

Kyrene Aprende 8th Graders win Math Competition

Six representatives of the Kyrene Aprende Middle School took first place in a math competition this past weekend. The 8th grade Mathcount students were participants in the Chandler-Gilbert Community College “Excellence in Mathematics Competition” Saturday January 24th.

School scores were based on the top 4 scoring students from each school. Aprende’s top 4 students, Lihong Tang, Sumeet Patwardhan, Matthew Askins and Hao Xuan Wu scored 126 points out of a possible 160 points.

The other two students to compete were Sanju Kalagara and Hongfan Wang. Coaches for Kyrene Aprende MathCounts are Joanna Wilson and Marilyn Rutter.

The next competition for Aprende’s MathCounts team will be at the Papago Chapter MathCounts competition at Dobson High School on February 28.
