## **Kyrene Elementary District Announces 2009-2010 School Calendar**

**On Tuesday, January 13, 2009**, the Kyrene Elementary School District Governing Board approved the 2009-2010 school calendar for one-year.

This calendar closely aligns with the calendar adopted by Tempe Union High School District in December, 2008. The start of school, fall, winter and spring breaks of Kyrene and Tempe Union are in alignment with each other.

In 2009-10 school will start on Monday August 10, 2009, one week later than it did this school year.

Although the calendar is largely a “roll-over” calendar, the Governing Board did approve moving the “*schools closed*” day before winter break to the Wednesday before Thanksgiving.

The Kyrene District school year calendars are available, along with school and performance calendars, at: <http://kcal.kyrene.org>
