

FOR IMMEDIATE RELEASE: May 22, 2009
-------------------------------------

## **Kyrene Elem and Tempe Union H.S New District Boundary**

**On May 19, 2009**, Kyrene School District was officially notified by the Maricopa County Superintendent's Office that an area of unorganized territory will now be part of the Kyrene School District boundaries.

While most of the families in that area have been attending Kyrene schools through open enrollment, the District is sending letters to those residents formally welcoming them to the Kyrene Elementary School community boundaries.

For more information regarding this recent action, please visit the Maricopa County Superintendent's website at <http://www.maricopa.gov/Schools/PressReleases.aspx>.

The home schools for this community will be Kyrene de la Estrella Elementary School (K-5) and Kyrene Akimel A-al Middle School (6-8) which is where the children have been attending for a number of years.
