## **Public Hearings on Possible Boundary Change**

The Kyrene School District Governing Board has taken the first step toward accepting two sections of Ahwatukee that are within the Phoenix city limits but outside of the current Kyrene School District boundaries. On Tuesday, April 14, the Kyrene Governing Board gave preliminary approval to accepting the Foothills Reserve, a housing development west of 27th Avenue and north of Pecos Road, and the South Mountain 620, an undeveloped area west of 19th Avenue and north of Pecos into the Kyrene School District boundaries.

The Maricopa County School District will now conduct two public hearings on the possible boundary change before the Kyrene Governing Board can take final action later this year.

These hearings will be held on May 14, 2009, at both 10:00 am and 7:00 pm, at the Ben Furlong Educational Center located at 8700 S. Kyrene Road in Tempe, Arizona 85284.
