Kyrene Elementary School District Hosts Public Review of Supplementary Mathematics Resources

INSTRUCTIONAL MATERIALS CURRENTLY ON DISPLAY AT THE DISTRICT OFFICE

The Kyrene School District has initiated a 60-day public review of potential supplemental math resources to be adopted for implementation in the 2009-2010 school year.

Several materials are under consideration for adoption to supplement the current board adopted resources in mathematics. These instructional materials are currently on display at the Kyrene School District Office, Ben Furlong Education center, 8700 S. Kyrene Road, Tempe, through October 16, 2009.

A recommendation for adoption will be made at the Governing Board meeting of October 20, 2009, pending the public review process.
