The Arizona Foundation of Schools has declared Cielo an
A+ School

October 29, 2009

Dear Cielo Community,

It has been wonderful seeing so many parents around school for parent-teacher conferences this week. The opportunity to take time out of your busy daily schedules to have some face-to-face time with our teachers, even if it's only a few minutes, is so valuable. In this age of electronic communication, there is still no substitute for a handshake and smile between people to create a connection. Our mutual interest in the success of our students is what brings us together and warrants personal contact periodically. Thanks for taking part.

I strongly encourage everyone to put the Cielo PTO Fall Carnival on your schedule for November 7th. This event is another great opportunity for all of us to come together and celebrate our wonderful community. Personally, an hour in the dunk tank sounds like a lot of fun for me, as strange as that may seem. Let's enjoy each other's company and have some fun that day! Hope to see you there.

Sincerely,

Mike Deignan
Principal
Kyrene del Cielo Elementary School
