First Edition

In a continuing effort to provide better communication with our families, we are proud to announce the electronic edition of the **Rattler Tales**. This e-newsletter will be sent to you periodically through your child's team and will be included on the school's website. We hope that you'll find the e-newsletter helpful and informative.

Curriculum Night

Curriculum Night for all three grade levels will be held on **Wednesday, August 20th, 6:00-8:00 pm**. Fliers advertising this event were given to students last week to give to parents. As you may be aware, this date is a change from two previously advertised dates. We had to make these changes due to conflicts with the curriculum nights of our feeder elementary schools (Lagos, Estrella and Milenio) and our feeder high schools (Desert Vista and Mountain Pointe). We apologize for any confusion or inconvenience these changes may have caused.

Magazine Drive

The AMS Student Council's annual magazine drive will kick off with grade level assemblies on August 19th. This is the only **school-wide** fundraiser held each year. Details about the magazine drive can be found in the August newsletter, which was distributed to students the first week of school. The August Rattler Tales is also available on-line at the [AMS website](#).

School Pictures

Photographers will be on campus on **Friday, August 22nd** to take school pictures. Fliers/order forms will be distributed to students this week. Whether or not you will purchase a picture packet, your child should have his/her picture taken. This picture will be in the school yearbook. Pictures will be taken during your child's exploratory period. Picture re-takes will be **October 3, 2008**.

Ice Cream Social

Akimel A-al's Ice Cream Social will be held **on Wednesday, August 27th, 5:30-7:00 pm**. It's a fun evening for students, families, and the entire community! The PTSO will be on hand selling ice cream. The National Junior Honor Society will host a dunk tank, giving students a chance to dunk their teachers! The AMS Chorus will perform during the evening. Join us!

Contact Us

Should you have any questions or concerns, please contact your child's individual teachers, team leader, or grade level administrator. A complete contact list of your child's teachers can be found on the [AMS website](#).
