

You are invited to a
**3-Evening Series For
High School & Soon-To-Be High School Parents**
Sponsored by The Parent Network & the Tempe Union High School District

If you have an 8th grader or a new high school student attending one of the Tempe Union High School District schools, please consider attending one, two or all three evenings to learn more about educational opportunities awaiting your student.

You will have a chance to hear from District administrators, who oversee many of these programs, and have a chance to ask questions. Our meetings are *free & open to the community!*
