

Mission

The Kyrene Special Education Parent Advisory Council (**KSEPAC**) will promote the academic and non-academic achievement of our children with disabilities through collaboration among parents, educators and the community.

To achieve this, we will:

- Encourage the implementation of best practices and evidence based resources with consistent application across all schools;
- Advocate for the continuous improvement of clear and open communication;
- Provide educational opportunities for stakeholders; and
- Develop a series of activities that promote inclusive practices and a sense of community.

KSEPAC meetings are from 6:00-7:30 pm in the District Office Boardroom and will cover a variety of topics. Check the schedule below for additional information.
