

Rattler Spirit Flags

Please read and discuss with your students.

At Akimel A-al Middle School throughout the school year we have opportunities for academic lab classes to earn Rattler Spirit Flags. These flags may be displayed in a special place in your room to show your Rattler Spirit. At the end of the school year each flag is worth \$5.00. You can redeem your flags for the following items, you can donate the money to your classes favorite charity.

How can your academic lab class earn flags?

Here are some examples of how to earn a flag:

In the beginning of the school year you can earn two flags by having a 100% of your students turn in the first day packet forms which are the emergency card, electronic device form and the handbook verification form by Friday, August 14th.

You will receive one flag if you get the above forms turned in by Wednesday, August 19th. After that no flags will be rewarded for the first day packet forms.

Other ways to earn flags throughout the year

Every Friday we will have Rattler Spirit Day. What this means is if 80% of your academic lab class is wearing a Rattler school shirt or purposefully wearing Akimel A-al school colors (turquoise and black – NOT a microscopic thread in a design) your class will be awarded a spirit flag. Please send a student down who is wearing the school shirt or colors to pick up your flag in Student Services. I will **NOT** give a flag to a student not wearing the school shirt or colors. Do not send more than one student down to collect for your team, each class must send an individual student.

Rattler Spirit Flags

When report cards are distributed if 80% of your students return their signed copy of the report card within three days your class will earn a spirit flag.

During the school year there will be many other opportunities to earn spirit flags. Suggestions for contests are being accepted!

The flags are a successful way of getting students to participate and return important papers so please talk it up!! Remember it is a great way to earn class money.

If you have any questions regarding the Spirit Flags please come see me.
