

Aprende Middle School Beautification Day

Saturday, December 5th, 2009

8:00 AM – 12:00 PM

Your PTSO is joining forces with Principal Shaw and the custodial staff to brighten up the Jaguar spirit on Aprende Middle School's campus and we are looking for your assistance.

Aprende prides itself on maintaining the "six pillars of character" in and around the school and this beautification day is just one of many ways to show our pride. As you enter the school campus you see pillars that are stenciled with these character traits: Trustworthiness, Respect, Responsibility, Fairness, Caring, and Citizenship.

The PTSO is currently looking for adult volunteers to assist with the painting of these on-campus columns and the many trash cans that are located throughout the school. The years may have faded the paint but the spirit is still alive, we are just revitalizing the look and really making our "Character Count" at Aprende!

Please consider donating your time and talent, every "body" is needed and appreciated. We know that weekends are valuable family and personal time but if you can find a few hours to volunteer on Saturday, December 5th, 2009, please contact Priscilla Baxter at 480.286.3442 or via the PTSO email: aprendeptso@kyrene.org.

If you are unable to help out on-site, contact Priscilla to see what supplies you may be able to donate (or let us borrow) to help make this day a success for everyone.

Thank you!
