

## **Earn Free Books for Schools – Now All Year Round!**

Changing Hands Bookstore's *Books for Schools* program has been helping local schools earn books for libraries and classrooms for more than a decade. Help us share the gift of books with schools valley-wide!

To participate, mention *Books for Schools* as you check out at Changing Hands Bookstore. In lieu of Readers' Club Card stamps or other discounts, we'll donate 15% of your purchase toward a gift certificate for books for your school. All merchandise counts towards your school's total credit -- not only new and used books, but also cards, calendars, music, and gifts!
