### Minutes from last meeting/Agenda:

Minutes from September 24<sup>th</sup> meeting were reviewed. Change made to Marni Wallace – should read “parent”. Motion was made by Carla to approve minutes; seconded by Lois. Motion passed 10-0.

### School/District Update:

Helene gave the following school updates:

Thanks to our PTO and Student Council, AZ Science Center will be at Monte Vista with the Science on Wheels program. Each grade level will choose a specific date and theme for their presentation. The Pumpkin Walk will be held on Oct. 30<sup>th</sup>. The 5<sup>th</sup> grade celebration parents will be meeting Oct. 23<sup>rd</sup> to discuss ideas for the 5<sup>th</sup> grade celebration.

Lisa gave an update to the parking lot situation. State law requires that schools designate a place for loading and unloading students and that no vehicles be in motion during that time. Discussion about closing the west parking lot to parents the entire day or just before school and before dismissal.

Whatever is decided, a letter will go home to all parents explaining what the procedure is and the reason for this. The south parking lot needs attention also. Our facilities department will be contacted to request that the arrows be repainted.

### Update on Tax Credit funds:

Math Club – Site Council previously approved funding our Math Club. Helene will be meeting with staff to define the specifics of how Math Club will run and specific skills that would be worked on. She will also see which teachers would be interested in running this.

Mountain Man Presentation – 4<sup>th</sup> grade is requesting approval to fund the Mountain Man presentation for their grade level. The amount is \$250. Kathy motioned to fund this presentation; seconded by Kelley. Motion passed 10-0.

Meeting adjourned at 4:30 p.m.
