	6:43-6:57	Elective- A day
	7:02-7:16	Elective- B day

Room numbers: Kuznia 102, Hoye 103, Staudohar 106, Detwiler 107

# It's Back to School Time!

# Principal's Message

Stay tuned for an  
informative  
greeting from our  
principal-Jim Verrill

# We Need Your Information!

On the outside of your student's purple folder you will find a small white label.

The label contains a QR Code that will take you directly to an online survey. (If you don't have a QR Code app on your phone, simply go to this Web address: <http://www.kyrene.org/page/29867>)

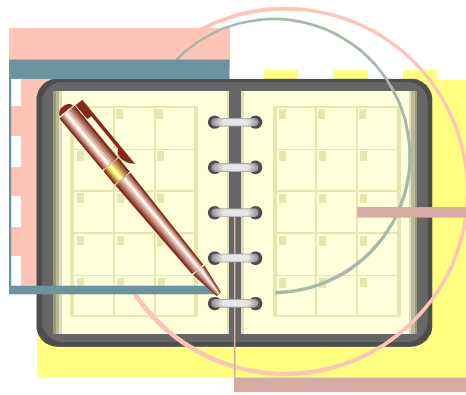

The survey will help us gather important information including YOUR EMAIL ADDRESS.

# First Week of School

- Students meet in the Gym on Monday & Tuesday when the bell rings.
- We suggest that students bring their lunches the first week of school.

# Keeping Organized – Student Agenda

**Student Agendas are provided during the first week of school. They help with organization by:**

- **Communicating what is happening at school on a daily basis**
- **Gives information about homework for each subject (there are even notes if no homework is assigned).**
- **Gives parents a way to make sure that everything is getting done or to plan future activities (sports, extra-curricular or family outings)**

**Academic Lab** is all about building community and connections:

- Announcements
- Team meetings and activities (POD and subject-level)
- Positive Behavior Intervention Systems-PBIS
- Instruction: Computer and study skills and test preparation
- Team building
- NOT used as a daily study hall

# Managing Lunch Money

- Pay in the foyer after exploratory classes tonight to add money for your child's lunch account.
- Use Kyrene's online lunch money service to avoid delays.
- Knowing your child's student number **before** the first day of school makes things easier.

# SCHEDULE CHANGES

Please be aware that your student's schedule may change to balance classes as more students enroll and/or to increase academic success.

# “STRESS-LESS” HOMEWORK

- If you have questions about homework you can check your child’s agenda or a teacher’s website for information.
- Your child can use Academic Lab time to do research or print assignment if Internet access or a printer is not readily available.

You can always Email your child’s teacher if you have any questions.

# It Pays to Be on Time

Academic achievement is significantly related to school attendance. You can help us ensure that your child receives the education they deserve by arriving before the first bell rings at **8:25am!**

## ■ **Tardy Policy**

- **First** tardy is a warning
  - **Second** tardy is a parent contact
  - **Third** tardy is an After School Detention
- 
- Ongoing tardiness requires detention or office referrals to assist students in “catching up” on what they missed.
  - If you have questions about Arizona laws regarding school attendance see the Kyrene Family Handbook or talk to one of the Aprende administrators.

# Invitation

The Aprende Parent-Teacher organization will be sponsoring a Meet and Greet breakfast for all 6<sup>th</sup> grade parents on:

Tuesday, August 12<sup>th</sup> from 7:45am to 8:20am

Please join us for a continental breakfast and a chance to socialize!

# Sports Physicals

- Sports physicals will be available on Thursday, August 9<sup>th</sup> from 4:00-7:00 pm here at Aprende in our gym.
- The cost for the physicals is \$25.00.
- Parents can sign up for an appointment and fill out forms at [physico2go.com](https://physico2go.com)
- Walk-ins will be welcome as time permits.

# Staying Organized

**Your student will bring home a purple Academic Lab folder on Monday. It will contain:**

- Important paperwork that may require your signature
- Upcoming events that may be of interest to your child

This folder should stay in your child's backpack all year.

# Thank You for Your Attention

## Curriculum Night Schedule
