

ParentVUE Logon Instructions

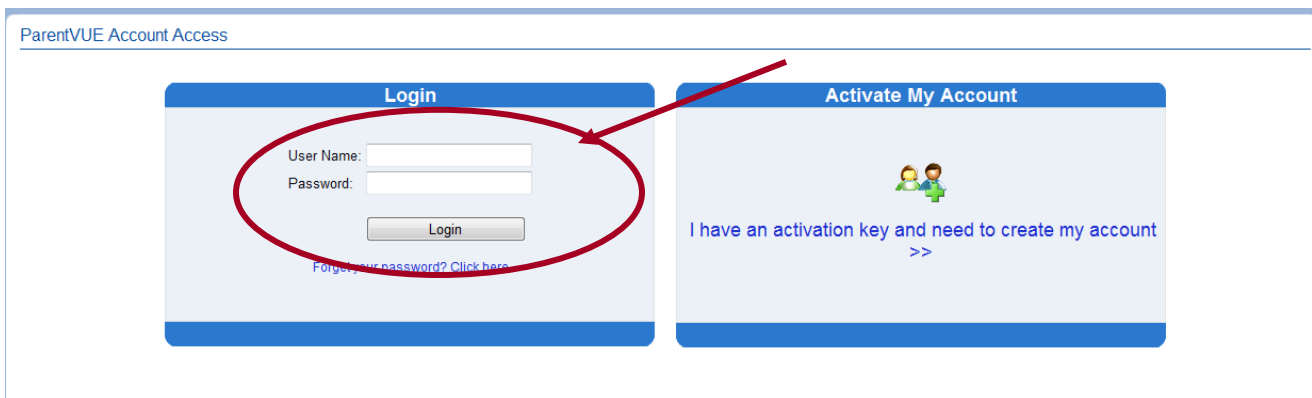

1. On the Kyrene Home Page, click on the **Parent Center**.

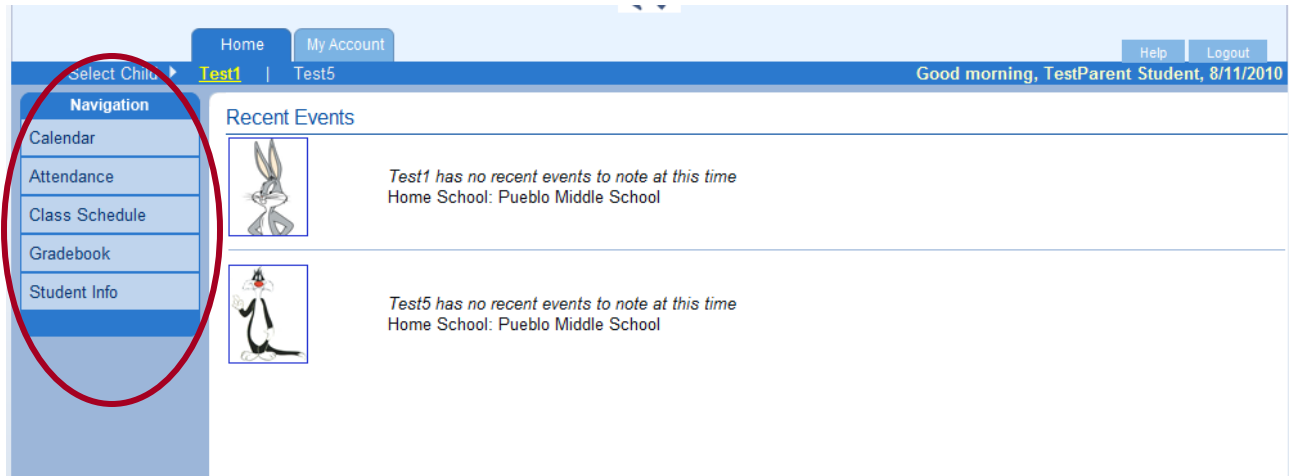

2. Click on **Log on to Parent VUE Now**.

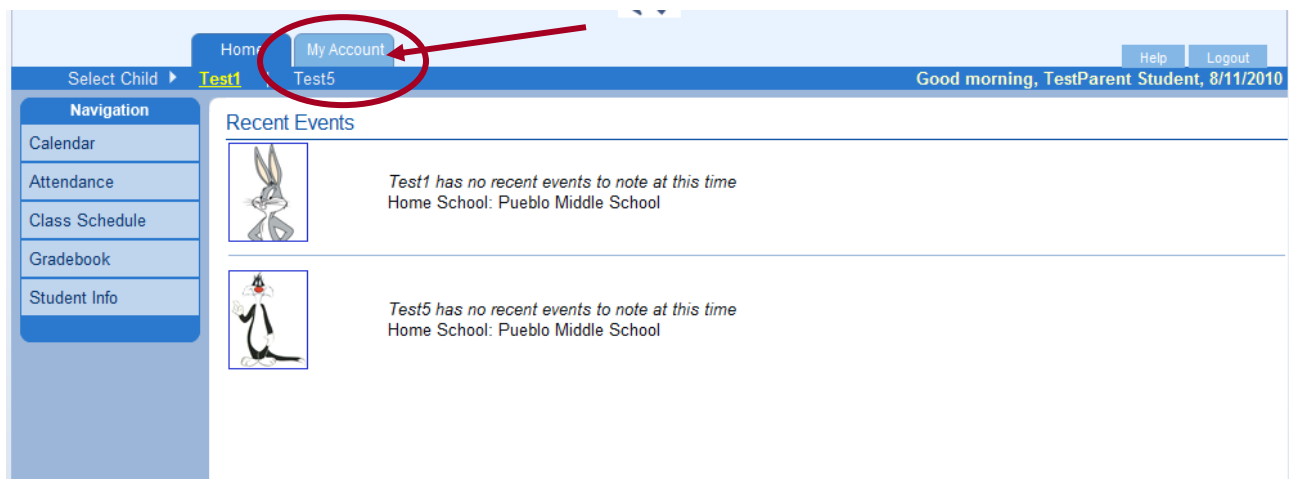

3. To login, type your **User Name** and **Password** and click on **Login**.

4. Use the buttons on the lefthand side to navigate to view the following of each student: Calendar, Attendance, Class Schedule, Gradebook, and Student Info

5. **To change an email address or check on personal information** (address, phone, etc.) click on the **My Account Tab** at the top.

In this window you can check name, address and phone information for accuracy. If you find an error, please contact the school to make corrections/changes. You can enter up to five email addresses that you would like the Kyrene School District to use to contact you. These can be added and updated directly in this window. Be sure to click on **Update Account** after entering new information.
