

Accessing DreamBox – At Home

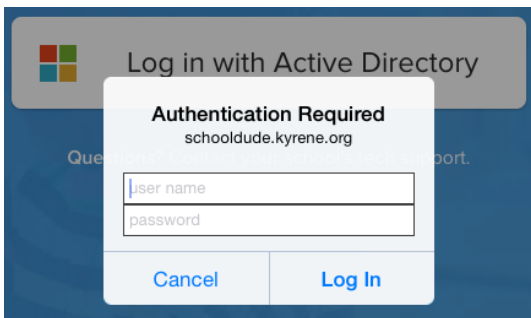

Note: If using DreamBox on an iPad, you must download TWO DreamBox Apps from the Apple Store- the Blue and Green DreamBox apps. 

1. From the Kyrene Homepage, click on **Students** and select the **Educational Resources** link.
2. Click on the **DreamBox** button to launch the DreamBox sign-in page.

3. Click **Log in with Active Directory**. Since this is done at home, students will be required to log in with their Kyrene network user name and password.
4. **These fields may appear and function differently, depending on the browser used at home.** Enter the student's username and password in the fields.

*NOTE: If entering the username and password does not work, then enter it in this form:
ksd\student# followed by the student's password.

5. Click **Log In**.
6. Click on the DreamBox button. 
7. Begin using DreamBox.

When you are finished:

1. Exit DreamBox. *If on an iPad, swipe up to close the Dreambox app after every session.*
2. Select the **Clever Applications** tab, click on your name, and select **Log Out**.
