

Welcome to 6B!

We are excited for a new year and look forward to getting to know you and your student! Tonight goes pretty quickly, so please don't hesitate to contact us if you have any questions before next Monday. Email is the quickest way to reach us and our email addresses are listed at the bottom. Here's to a great school year!

Please fill out the Google survey on the computers around our pod to receive the 6B newsletter. We send out a newsletter every Monday with information and updates about the week ahead. Filling out the survey for Miss Johnson will ensure you receive the newsletter in your email's inbox every Monday. Also, all newsletters are on our 6B website as well. If you do not have access to email, please let us know and we will send information in a different way.
