

Supply List

Supply lists are suggestions only and are not required in any way. The school is required to provide materials for all students, but as you are aware, resources are extremely tight for Arizona's schools. We sincerely appreciate any support you can provide with some of the items listed.

Student Supplies (please label with child's name):

- Standard size school box (approximately 8" x 5")
- Small box of crayons, 16-24 count (twistables are acceptable)
- large, rectangular, pink or white eraser
- 2 glue sticks (we recommend the purple disappearing kind)
- Yellow highlighter

Community Supplies (do not label with name):

- Washable markers (fat and thin line)
- Fat primary crayons (8 or 16 pack)
- Fat primary pencils (Ticonderoga preferred)
- Kleenex
- Baby wipes and sanitizing wipes (Clorox)
- Colored pencils (twistable or standard)
- Glue sticks (to be used as replacements)
- Scissors

*Brands we recommend are Elmers, Crayola, & Fiskars. We find they last longer, are more durable, and are higher in quality.
