Geography

How climate and landscape affect lifestyle.

• Crops (ex: corn, wheat, etc.)
• Natural Resources (ex: diamonds, oil, copper, etc.)
• Landforms (ex: mountains, desert, etc.)
• Climate (Weather)
• LOCATION of Civilization
G- Geography Examples
Example: geography

Civilizations began along rivers like the Nile because they provided the water needed for irrigation.
Religion

Society’s beliefs about morals and the afterlife.

- Rules?
- How does Religion affect different part of your lives?
- Who/what did they worship?
- Rituals?
- Holidays?
- Holy Books?
Example: Religion

The Ten Commandments are religious rules that God gave to the ancient Hebrews.
A. - Achievements

- Achievements are **important discoveries** for future generations to enjoy.

- Art, architecture, technology, inventions, and ideas are usually the achievements we enjoy and try to improve.

- All civilizations are measured by their achievements.
Achievements

The lasting works of a society.

• What did they build?
• What did they invent?
• How did they improve technology?
• Which ideas, if any, still affect our lives today?
• What can other cultures learn from this culture?
Example: achievements

Millions of people still visit the pyramids in Egypt every year.
Political system

Who runs a society, and how do they do it?

• How does someone come into power?
• Who has power, and how is it used?
• How do those with power keep it or lose it?
• Type of government?
• Patterns of warfare?
• Laws
• Punishments/Consequences
Example: Political system

A limited form of democracy was practiced in Athens.
Economics

How a society uses its scarce resources.

- Do they trade or sell?
- What do they trade or sell?
- Do they use money?
- What are the trade routes?
- Do they have taxes?
- How do they use their taxes?
Example: economics

Gold has been a valuable resource in many civilizations for thousands of years.
Social structure

The different levels or classes in a society.

- Who are the “most important” people in society? What do they do?
- Who’s at the bottom?
- What privileges were given to each class?
- Recreation- What did they do for fun?
- Music?
- Art?
Indian society was divided into a rigid caste system.
