Dr. Kings I Have a Dream Speech

1. Who was the intended audience for his speech?
2. Why do you think this speech is so famous?
3. Find evidence of where Ethos, Logos and Pathos are used within the speech. You need to find one of each.
4. Which rhetorical device is used the most within the speech? Was this the best choice, and why?
5. Choose three parts of the speech that were particularly interesting or memorable to you. How did they appeal to you (ethos, logos and pathos).
6. What type of figurative language is being used within the speech?
7. How does this relate to the essential question of Taking a Stand?
