- Centennial cheer team T-shirts may be available for purchase once tryouts have concluded.
- Cheerleaders must have hair tied back during practices.
- Practice is the key to overall Cheer Team success so C.M.S. encourages at home practice as well.
- NO practices on Wednesdays.

GAMES

FIRST GAME TENTATIVLY 11/21/22

- 3-4 Boys Basket Ball Games
- Possibly 1-2 Boys Wrestling matches
- Cheerleaders must be dressed in C.M.S. issued Cheer Uniforms for every game.
- Hair must be tied back and away from face on game days. Matching bows will be available for purchase at uniform fitting (shirt and bow cost approx. \$20)

EXPECTATIONS

C.M.S. provides cheerleaders with the opportunity to master cheerleading skills through extensive practices and team building activities.

At-home practice and attendance at all practices and games are an important element in reaching the full potential of the individual cheerleader and the cheer team as a whole.

The goal of your coach is to present the best cheer team on the field each week. She is skilled and trained to use the individual strengths of each cheerleader and put that together to create a clean and sharp looking cheer team.

Choreography, cheers and chant formations and sideline formations will be created and formed at the discretion of your Coaches.

PARENT INFORMATION

Please note that you/ another parent/ guardian will be expected to pick your child up from practice on time each week. Children cannot be left unattended in the facility so coaches are not allowed to leave until all children are picked up. Please do not expect your coach to wait after practice is over for your child to be picked up. If somebody other than a parent is picking up your cheerleader from practice, please inform the coach prior to practice.

COMPETITIONS

- District Level Competition
- Potentially western region competition
