

CMS Softball 2022-23

The 2022-23 softball season is here! We are looking forward to having a successful season!

Team will be selected based on the following criteria:

- 1) The player's academic eligibility, this includes classroom behavior.
- 2) The player's ability to work as part of a team
- 3) The player's ability to listen and follow constructive coaching instruction. It has been my experience that students who chose not to listen to instruction in the classroom are much the same on the playing field.
- 4) The player's ability to demonstrate the skills needed for their position(s), (per rubric)

Tryouts will take place November 7th & 8th. Tryouts will start at **3:30 pm** at **Lake Centennial** and end at **5:00 pm**, please make arrangements to be picked up right after tryouts. **It is important that students are present for each of the tryout days.** Please be aware if your student makes the team, they will have academic and behavior expectations to follow during the season in order to participate. We will discuss expectations at a parent/team meeting after tryouts.
