6) If you do not have a ParentVUE account, contact your child's school to issue you an Activation Key with directions on how to create an account.

Elective Course Requests in ParentVUE

Reviewing Student-entered Course Requests

Using the Elective Interest Sheet for reference, students will enter their primary course requests and alternate course requests in StudentVUE. Parents will have the opportunity to review their child's course request selections through ParentVUE to ensure accuracy, and edit course requests if needed.

1) Once logged in to ParentVUE, click on the **Course Request** tab.

2) The primary course requests that your child selected will appear in the **Selected Course Requests** section. Alternate choices will appear in the **Selected Alternate Course Requests** (Excluding KMS).

3) Compare the course requests in ParentVUE to the course requests chosen on your student's Elective Interest Sheet. The **Selected Course Request** section should include a set of either [2] year-long courses **OR** [1] year-long course and [2] semester courses **OR** [4] semester courses. See outline on the Elective Interest Sheet. The **Selected Alternate Course Requests** section should have alternate courses listed in priority order with the first choice alternate selected first and second choice alternate selected second, and so on. *Note: KMS students will not select alternate course requests.*

4) If the course requests need to be edited, click **"Click here to change course requests"**.

5) Click the **"Remove"** button next to courses that need to be deleted. New primary course requests are added by clicking the **"Add Request"** button next to course titles, new alternate course requests are added by clicking the **"Add Alternate"** button. (See steps 3 through 6 on the next page for additional information on adding course requests)

6) When selections are finalized, click **"Close"** to exit ParentVUE.
