TAX CREDIT DONATIONS:

Did you know that Arizona state law allows tax payers to contribute up to \$400 to public schools for extra curricular activities and then deduct that amount directly from their state income taxes?

Individuals may claim a maximum of \$200 and couples filing together can claim a maximum of \$400.

Please consider donating to support our school. All funds go directly to student activities. Tax credit donations support athletics, art and music, character education, and field trips. You can [donate online](#) to KMS's general tax credit fund, or fill out the [paper form](#) to specify which activities.

KMS 3D MODELING/PRINTING:

KMS 3D Modeling/Printing & Soldering begins January 24th! **Solve Problems by Creating Solutions:**

Would you like to learn how to create a three-dimensional model? How would you like to see that model printed out in real life? Have you ever wondered what's inside your electronics and how they work?

This after school program allows students to create models using 3D modeling software and print those models using a 3D printer. The program also teaches the basics of soldering and working with printed circuit boards. [Registration](#)

GOODWILL DONATION DRIVE:

KMS is hosting a Goodwill donation drive on campus from 1/14-1/26. Donations bins will be available on campus during those dates for smaller household items like clothing and bedding. On the morning of Saturday 1/26, Goodwill will be on campus from 8-10am to pick up all donated items as well as large items like appliances and furniture. Please consider cleaning out cabinets, garages, and closets to donate your unwanted items. Our school will earn money for every pound of goods donated!

INTERNATIONAL BACCALAUREATE (IB):

Our Celebration of Learners will be on Tuesday, January 22nd from 2:15 to 3:30pm in the MPR. All students who have been invited to attend received paper invitations during their first period class.
