## POSITIVE PARENTING PROGRAM:

Triple P – Positive Parenting Program® is one of the world's most effective parenting programs. It takes the guesswork out of parenting teenagers! It is an 8-week program for parents or caregivers of teenagers interested in promoting their teenager's development and potential; and wish to address concerns they have about their teenager's behavior. **Triple P does not tell people how to parent.** Rather, it gives them simple and practical strategies they can adapt to suit their own values, beliefs and needs. Please see the [attached letter](#) for more information. \*\*Sign up today, there are 6 spots left.\*\*

## TAX CREDIT DONATIONS:

Did you know that Arizona state law allows tax payers to contribute up to \$400 to public schools for extra curricular activities and then deduct that amount directly from their state income taxes? Individuals may claim a maximum of \$200 and couples filing together can claim a maximum of \$400. Please consider donating to support our school. All funds go directly to student activities. Tax credit donations support athletics, art and music, character education, and field trips. You can [donate online](#) to KMS's general tax credit fund, or fill out the [paper form](#) to specify which activities.

## GIFTED TESTING:

All public school districts have an ongoing "Child Find" obligation. This means that the Kyrene School District will identify, locate and evaluate all children within their geographic boundaries who are in need of special education and related service. Kyrene makes gifted testing available for students at school sites three times per year by application. Applications are due for the third round of testing for 2018-19 on April 15, 2019. If you think your child may be gifted, please visit the website at [www.kyrene.org/gifted](http://www.kyrene.org/gifted) for information about gifted education, services, and testing in Kyrene. More information about the child find process can be found at [www.kyrene.org/ESS](http://www.kyrene.org/ESS).
