KMS would like to thank the parents that came to see what our C-day Service Learning Activities were all about on Wednesday, September 19. We are confident that you saw engaged, thoughtful, and open-minded students at work. We will be offering another C-day Open House soon.

KMS' first Celebration of Student Learners for the 2018-2019 school year will commence on October 23 from 2:30-3:30. Students get nominated for these awards one of two ways: there GPA for the quarter and by their teachers for the identified Learner Profile attributes. Students nominated will be bringing home an invitation as we near the date. Please see subsequent Stingers for more information.

START AS A STUDENT, FINISH AS A CEO:

The Young Entrepreneurs Academy (YEA!) is an intensive seven-month program that teaches middle and high school students how to start and run their own REAL businesses and social movements. Students are guided through each step of starting an enterprise, from brainstorming the idea to pitching their business plan to investors. The Ahwatukee Chamber Community Foundation sponsors the program as a way to invest in our community's future. YEA! Classes will be held at Altadena Middle School October through April on Tuesday evenings.

Kyrene makes group testing available for students at their school site three times per year. The test will be proctored at your child's school during the school day.
