

BELLWORK

Week of 1/8/18

Monday
1/8 Well thought answers should be written here for you to review and potentially study.

Tuesday
1/9 Remember, the answer to each question should be rewritten so you do NOT have to write the original question!

Weds.
1/10 (Greece) The main geographical features of Greece include: peninsula (land with water on 3 sides), 100s of islands, gulf splits it in two (Peloponnese) the southern tip; a narrow strip of land is called an isthmus.

Thurs.
1/11 Notice on Wednesday that I did NOT write the question itself however, you can tell that it asked, "What are the main geographical features of Greece?"

Fri.
1/12 ABSENT!
