

# Parent Drop Off/Pick-Up Procedures

During the summer we painted a new traffic pattern on our main student drop off/pick up in our south parking lot off of Mountain Sky Avenue. Our goal with the new traffic flow is to increase safety and alleviate the traffic backing up from Ray Road onto Mountain Sky. In a designated SCHOOL ZONE, there is a NO PASSING LAW. The new traffic pattern will alleviate traffic backing up on Mountain Sky, preventing cars from moving forward. As you can see in the image above, we now have two lanes entering the parking lot. The arrows show the flow of the two lanes. Just as you reach the second crosswalk, the lanes will merge into one lane using a zipper type traffic flow with one car merging after another taking turns from each lane. **PLEASE NOTE: THE DROP OFF/PICK UP ZONE DOES NOT BEGIN UNTIL ALL CARS PULL FORWARD TO THE GREEN ZONE.** If you enter the lot coming from Ray Road onto Mountain Sky, please make a left into the designated lane. This allows you to park or pull forward. If you are coming from the neighborhood, you will make a right and follow the lane closest to the curb. REMEMBER, YOU MAY NOT DROP OFF OR PICK UP IN THE RED ZONED AREAS. Our staff has been informed to direct you to pull forward. We will be outside helping families through this process in the hopes that we can increase the safety of our parent pick up and drop off procedures. We will begin our new procedures for student drop off/pick-up on the first day of school, August 3<sup>rd</sup>.

Thank you for your patience and cooperation as we enhance our school community and put student safety first.
