

Dear Parents and Students,

WELCOME BACK!! We are very excited and happy for this coming school year. We are eager to meet all of you and get started with a great year in third grade.

We are sure many of you will be offering your help and one of the best ways you can help is by volunteering to send in some basic supplies your child will use this year. This is a voluntary contribution, **not** a requirement. The district does see to it that all children have what they need, whether it is textbooks, paper, pencils, etc. However, any supplies you provide enable us to use classroom supply money for other essential materials for your children.

These are things that all of us are planning to use. Each individual teacher may have just a few other items on their list. You will be able to check when you come for Meet Your Teacher Night, Thursday, August 5th. We look forward to meeting you and thank you for your support.

Third Grade Teachers,
Ms. Edinger
Mrs. Hershberger
