

## KTA – Early Learning Academy Dress Code

An enforced dress code will contribute to the academic environment. All students are expected to dress in a neat attractive fashion reflecting pride in themselves and their school. It is both the parents' and the child's responsibility to ensure compliance with these standards. The dress code options are as follows:

- Uniform pants, shorts, skorts, skirts, jumpers and skirts will be khaki and navy in color. Shorts must be knee length. Capris are ok.
- Collared shirts in white, blue or red must be plain or with the school logo only.
- Sweatshirts/sweaters worn in school must be red, white or navy only.
- Outerwear (coats) can be any color/print.
- Jeans can be worn **only** on Friday Spirit Days with any school uniform or spirit shirts.
- Sturdy shoes, sneakers or sandals are required; "flip flops" are not allowed.

**\*\*Each ELA student will receive one polo and one spirit shirt!**
