

Rewards

Students are expected to demonstrate the 3 rules everyday:

- ❖ Be Safe
- ❖ Be Respectful
- ❖ Be Responsible

When students are demonstrating the 3 rules every day, they will be praised, receive prizes, free time, and/or positive notes home.

Consequences

1. Warning
2. Move seats
3. Phone Call Home & Behavior Reflection
4. Office Referral

Parent/Guardian Volunteer

Parents and guardians are always welcome to come in and be apart of their child's education. Please let me know ahead of time so I can plan.

Agenda/Planner

Students will be given a planner. This will keep them organized with homework, upcoming projects, events, class parties, and field trips.

It is their responsibility to write in what we learned that day and what is for homework.

Absent Work

If your child is going to be absent, please call the office and let them know. I will then prepare your child's absent work in a red folder for your child to pick up when they come back to school.

Your child will have 1 day for every day they missed to make of the work.

It is the student's responsibility to make up the work during free time, after in class assignments, lunchtime, or before/after school.

Expectations in 5th Grade

Welcome to 5th grade! I am very excited to be your teacher this school year at Kyrene de los Niños.

I have high expectations for each and every one of my students. I believe all children are unique and have something special that they can bring to their education and our classroom.

Students are expected to be at school on time everyday with all materials that they need to be successful.

Respect the teachers, staff, adults, classmates, and yourself and everything around you.

Take care of the classroom and school property.

Students should do their personal best so they child can successfully achieve their academic and personal goals!

My role is to help students be successful and reach their highest potential in our hands on activities, problem solving, and cooperative learning.

Classroom Rules

I only have 3 rules in my classroom that I expect to see everyday:

- ❖ **Be Safe**
(In our school, we are safe)

- ❖ **Be Respectful**
(In our school, we are respectful of others, the environment, and to ourselves)

- ❖ **Be Responsible**
(In our school, we are responsible for our actions)

~

Goal Setting

We will be setting academic *and* personal goals throughout the year. During morning meetings, transitions, and small groups, we will discuss our progress.

Students should be doing *their* best by preserving, asking questions, working together, and having fun at the same time 😊

Homework

I believe homework is supposed to reinforce the learning that was taught that day.

Generally, students will be taking homework everyday.

Their homework should not take them more than one hour to complete.

It is the child's responsibility to double-check their work and look for any mistakes, grammatical errors, and spellings.

* Homework will be due the next day, expect projects (due dates will be given out).
