ALL ABOUT ME

My name is Ms. Saldivar. I was born and raised in Juneau, Alaska. I graduated from Arizona State University in 2015. Go Sun Devils! This is my fourth year teaching 5th grade. I love working with children and helping them succeed. I am eager to get started and I am so excited to be here!

I enjoy being with my family and friends, being active, iced coffees, and snuggling with my dogs.
