

Dear Parents,

Thank you so much for your patience while we have been figuring out how to create the best way to set up our snack schedule. We are a Peanut and Tree Nut Free Classroom so we have provided a Snack List which will work for our classroom.

We would like the parents to be able to donate the snacks as most of you are already familiar with this procedure. Please use the suggested ideas below. We do not want to encourage the children to bring their own snacks now because we want to ensure the safety of all our children.

It is important to read labels to ensure safety. Some manufacturers clearly state if a product has peanut or nuts in it while others, it is almost hidden. Fortunately we have had a parent create this list for us.
