Authoring for the 21st century.

PRINTING

You can print the pages in your project.

Click the **Publish** button on the toolbar and choose **Print**.

You will see the Print dialog.

Click the **Print** button.

The pages will print to your default printer.

Printing Multiple Pages

You can print multiple pages on one sheet of paper.

Click the **Publish** button on the toolbar and choose Print.

You will see the Print dialog.

Click a **Layout** button for the number of pages per sheet.

You will see a preview of how the pages will print.

Click the **Print** button.
