

Kyrene School District

LAB SAFETY CONTRACT

I, _____, agree and pledge to observe these and all safety rules; verbal or written my science teacher gives in the classroom at all times.

DRESS CODE

1. Wear protective eyewear when appropriate
2. Wear all forms of protective coverings when appropriate
3. Always tie back long hair

GENERAL LAB SAFETY RULES

1. Enter the science room quietly and sit in my assigned seat
2. Never touch equipment until instructed to do so
3. **Listen and read** all directions and ask questions if I am unsure of instructions
4. Stay in my assigned seat until instructed to move
5. **NO HORSEPLAY!** Horseplay can lead to chemical spills, accidental fires, broke containers and damaged equipment. It can put you and others in your class in danger. Never throw anything to another person, be careful where you put your hands and arms; no wrestling, punching, shoving or running in the lab.
6. Never try anything new, always ask your teacher for permission before you try a new idea
7. Never eat, drink, smell or taste in the lab. You never know what was put in the beaker before you used it.
8. Use the equipment with care so that all science students will have the same opportunity to learn
9. Clean the lab are, discard and replace materials properly. Your lab area should be spotless when you leave.
10. Report all accidents, breaks and spills to the teacher no matter how small

I understand that if I do not follow all laboratory safety rules both verbal and written I may be removed from the lab and could receive a zero as a grade for that lab.
