

Calculator Loan Contract 2019-2020 School Year
Kyrene Elementary School District

NAME: _____

STUDENT ID# _____

SCHOOL/SITE: _____

GRADE: _____

In an effort to guarantee that all students have equal access to technology to complete class work assignments and prepare for exams, the Kyrene School District will loan students in High School Math courses a TI-83 Plus Graphing Calculator to use throughout the school year. Priority will be based upon need and the completion of the calculator loan contract.

The calculator loan contract will contain the following conditions:

- The student agrees to follow the Use of Technology Resources in Education guidelines detailed in the Family Handbook. The student is prohibited from altering device configurations.
- The district device is to be used by the Kyrene student only.
- Students will be issued a calculator that is in good working order after the signed contract has been returned to your current math teacher.
- Students will be required to maintain the calculator in good working order, which includes installing new batteries (provided by the student/family), if needed.
- If the device is damaged or lost, or is not returned in good working order at the end of the school year, the student must immediately notify a school administrator or teacher. Possible student disciplinary actions are detailed in the Kyrene Family Handbook.
- Students are required to bring the calculator to the teacher prior to taking tests or exams so that the memory may be properly cleared per each test's administration guidelines.

Students and families must understand and abide by the conditions of this contract. Signatures of both the student and the parent or guardian are required to validate the contract.

I, _____ have read the contract and understand the conditions of the loan program. I agree to comply with these conditions and understand that failure to do so will result in the loss of calculator privileges.
