

Kyrene School District Graphing Calculator Classroom Use Contract

I, _____, am in _____
Print Student Name Teacher, period, course

class. I will be allowed to use one of Kyrene School District's TI-84 PLUS CE in class as long as I agree to the following guidelines and have a parent/guardian signature.

- The calculator will be used as an instructional tool, not a toy.
- The calculator will stay at school in the classroom and will not go home with me at any time.
- If any damage should occur to the calculator during my class period, I will be responsible for the damage. If I see any damage or evidence of misuse of the calculator that I did not do, I must report it immediately to my teacher or be held responsible. A replacement fee of \$120.00 may be charged for lost calculators, and a repair fee of \$50.00 may be charged for damaged calculators that can be repaired.
- Any of the following will result in my having to repair or replace the calculator and/or denial of calculator privileges:
 1. Damage in any form to the calculator and/or parts
 2. "Text Messages" entered into the calculator
 3. Programs without the teacher's permission
 4. Loading or playing games on the calculator
 5. Dropping the calculator on the floor due to carelessness

My teacher will explain the procedure for distribution and collection of the calculators in class each day.

We agree to the above criteria and accept responsibility for any damage. Please initial ONE of the following: _____ Yes _____ No

******If you do not agree with this contract, it will be your responsibility to provide your own graphing calculator if your teacher requires one. Kyrene offers a loan program if you are in need of support for providing a graphing calculator for HS Math courses. Please contact your teacher for more information on the loan option.**
