Participation

- All parents/guardians with educational and contact rights received one survey invitation per school level of children in Kyrene via email (or text if no email address was available in Synergy).
- Parents with students in elementary school AND middle school received a link to complete the survey once for each school level.
- Staff received an individual email survey invitation.
- Staff who are also parents received an invitation as a staff member and as a parent.
- 21,549 surveys were delivered via email or text.
- Three (3) reminders were sent.

8,174 Survey responses were received.

All schools had responses from families and staff.

785 responding parents had children in multiple school levels and thus completed the survey once for their elementary school child(ren) and once for their middle school child(ren).
90% of families and staff have read Kyrene’s Safety Measures and Mitigation Strategies.

How important is it to you that Kyrene has safety measures and mitigation strategies in place this school year?

- Not at all Important: 4% 7%
- Slightly Important: 9% 9%
- Important: 18% 16%
- Very Important: 69% 69%

On a scale of 1 to 5, how well do you understand Kyrene’s leveled COVID-19 safety measures and mitigation strategies?

- 1 No Understanding: 1% 2%
- 2: 1% 3%
- 3: 16% 16%
- 4: 37% 35%
- Completely Understand 5: 50% 45%
How would you rate Kyrene’s leveled COVID-19 safety measures and mitigation strategies?

Responses for middle and elementary families were within +- 3%

![Bar chart showing responses for staff and families regarding COVID-19 safety measures.

- **Not Strong Enough**: Staff (19%) vs. Family (22%)
- **Just Right**: Staff (60%) vs. Family (53%)
- **Too Strong**: Staff (14%) vs. Family (19%)
- **No Opinion**: Staff (7%) vs. Family (7%)
Do you agree with Kyrene’s strategy of requiring face coverings as part of the District’s leveled mitigation strategies, on a school-by-school basis when transmission is in the “substantial” or “high” range, based on Maricopa County data, at your school?

Responses for middle and elementary families were within ± 3%
Have you or do you plan to get vaccinated/vaccinate your child(ren) against COVID-19 when vaccines become available for children under 12?

Responses for middle and elementary families were within +- 3%

Staff

- Prefer not to Answer: 11%
- No: 3%
- Yes: 86%

Families

- Prefer not to Answer: 17%
- No: 21%
- Yes: 63%
Thank you to everyone who participated in the Health & Safety Survey
