Dear Kyrene Community,

Thank you for staying connected throughout the summer as Kyrene School District prepares for a safe return to school, whether students are learning in person or at home. As a reminder, the most current information can be found on Kyrene's Safe Return to School web page, www.kyrene.org/safestrong.

Here are a few recent updates you will find online:

- [Sample schedules](#) for Flex Distance Learning
- [Sample schedules](#) for Kyrene Digital Academy
- Safety Measures:
 - [Face Coverings](#), updated to reflect current guidance regarding face shields
 - [Reported Cases](#), updated to reflect flexible response plans

Kyrene continues to update the Frequently Asked Questions sections of the Safe Return to School page as well, so be sure to bookmark the page and check back often for updates.

Also this week, design teams made up of special area teachers are meeting to develop plans for the delivery of electives in all Kyrene learning models. We know this is an area of great interest for our families, and we hope to share the results of those planning meetings soon.

Sincerely,

Kyrene School District
