**CLASS SUMMARY:**

The Bus Driver Dispatcher/Trainer is a standalone broad class encompassing dispatchers, trainers and lead trainers. Incumbent driver trainers or lead drivers trainer are responsible for training bus drivers and conducting third party testing as well as driving buses on assigned bus routes and driving buses and shuttles for scheduled trips. As assigned as lead driver trainer, responsibilities include monitoring the work of other bus drivers.

Based upon assignment, bus dispatchers are responsible for assigning drivers to vacant routes, contacting transportation staff to perform unscheduled driving shuttles and interfacing with schools, parents and other District organizations; coordinates bus and other vehicle repair transport and communicates with vendors to schedule repairs and retrieve repaired vehicles; monitors VersaTrans for student and route information; monitors GPS for bus activities and as needed supports the driver training program. Prepares field trips and athletic trips and works through the T.O.M routing program.

As assigned to bus driver/trainer roles, duties include activities such as driving buses; preparing classroom training materials and packets; conducting classroom, road, and in-service training; testing for bus driving certification including preparation of required documentation; and assisting with bus dispatch.

As assigned, lead driver trainer acts as lead worker for other bus driver trainer staff making work assignments and determining completion of work.

The Bus Driver Dispatcher and Driver Trainer is distinguished from other classes in the focus on assigning drivers to routes or redirecting drivers/routes to best service the Department due to unforeseen road conditions to ensure the safe and timely delivery of students to and from school, training bus drivers and, as assigned, serving as lead driver trainer monitoring the work of bus driver trainer staff.
