

Middle School Athletics-Athletic Participation Policies & Guidelines

Akimel A-al Middle School, Altadeña Middle School, Aprende Middle School, Centennial Middle School, Kyrene Middle School, and Pueblo Middle School are members of the Kyrene Athletic Program. The goals and objectives of the conference are to develop and maintain the following on the part of every participant:

- Physical skills necessary in the sport or activity
- An awareness of progressive skill requirements needed to continue to grow in the specific sport
- A sense of loyalty, team play, cooperation, and sportsmanship, which will have value later in life
- Respect for the efforts, abilities, and rights of others
- The awareness of leadership responsibilities in school, community, and life contacts, as well as the athletic field
- Active participation by all members of a team
- Understanding and experiencing the benefit of healthy competition

The program is governed by a coordinating committee consisting of one administrator or designee from each participating school and the District Athletic Director. The members will adhere to the rules set forth by the Kyrene Athletic Program guidelines and bylaws and/or the rules and regulations of the Arizona Interscholastic Association (AIA).

PARTICIPATION

The following are required prior to a student practicing or trying out for a team:

- All athletes must be registered students who attend the school which they represent. Private and charter school students are not eligible to participate. Home-schooled students are eligible to participate if they meet the requirements listed below. Home-schooled students are eligible to participate at the school within the school boundaries they reside.
- Prior to participation (each year) the student must be examined by a licensed physician and determined to be physically fit for sports unless the student has sustained an injury or illness that warrants an additional examination by a physician. It is recommended that all athletes obtain a physical during the summer prior to a school year.
- Parents must register for tryouts through www.kyrene.org/eservices. This registration serves as the Athletic Participation Packet and must be completed one week (5 school days) before tryouts week. If a student is not registered and is not on the tryout roster he/she cannot tryout.
- A signed sports physical form and Brain/Injury Concussion form is required to be submitted to the school's Athletic Secretary in addition to the Tryout Registration. Failure to submit these documents one week (5 school days) before the first day of tryouts will result in student being unable to participate in tryouts.

The Athletic Tryout registration contains the following information that must be provided:

1. Health history is to be completed by the parent each year a student participates and be updated if a student's health status changes.
2. Statement of insurance coverage, signed by the parent each year stating that the student has health insurance coverage.
3. Emergency information giving important information and consent for emergency medical treatment.
4. Parental permission to participate.

5. An Academic Rating Sheet, completed by each teacher, will be turned in to Student Services by each student. A copy of this sheet is then given to the coach and will be one factor considered when a coach selects team members.

Athlete playing time will be determined by the coach and is based on attendance, practice, participation, effort, attitude, behavior, sportsmanship and the number of participants.

Please note an updated physical and signed copy of the Mild Traumatic Brain Injury Form is required along with this registration. Please turn in required paperwork to your school's Athletic Secretary. Forms and information of each policy for the Kyrene Athletic Program can be found within this document.

HEALTH & SAFETY

It is required that Parents and Athletes review the following Health & Safety information: Parent & Athlete Concussion Information Sheet, AIA Heat Acclimatization & Exertional Heat Illness Management Policy and Hot Weather, Heat Stress & School Safety.

WARNING

I/we give permission for my/our child to participate in organized interscholastic athletics, realizing that such activity involves the potential for injury which is inherent to all sports. I/we acknowledge that when participating in interscholastic athletics, there is an inherent risk of injury, disability, quadriplegia or even death.

TRYOUTS/CUTTING PROCEDURES

Tryouts and "cuts" are probably the most painful experience for coaches, students, and parent(s)/guardian(s). While we would like to accommodate every student who wants to participate in a sport, limitations in facilities, coaches, and other resources as well as safety factors make tryouts and "cuts" necessary.

Each coach is responsible for establishing guidelines for tryouts and "cuts" in his/her sport, and then submitting them to the Athletic Director for approval before tryouts begin. General guidelines are as follows:

- Each coach will have a letter explaining team expectations and procedures that will be given to the student and/or parent/guardian(s) prior to a student's trying out.
- Coaches will have a minimum of two days of tryouts.
- For non-cut sports, the last day a student may join the team is the day following the first game or meet. This decision is at the discretion of the site Athletic Director.

All other "cutting" decisions are at the discretion of the coach; however, we strive for our procedures to be well communicated, consistent, and fair. Students assigned to In-School Intervention by an administrator for any portion of the day will be ineligible to try out for a team on the day(s) they are in In-School Intervention. Students who are suspended off campus will be ineligible for sports for the remainder of the season and possibly the remainder of the year. This decision would be made by the Principal or Athletic Director.

PAYMENT & FEES

Fee Structure for Athletics the District has established an athletic participation fee to help offset the cost of our after-school athletic program. For updated information, contact your school office or Customer Service at 480-541-1500.

Payment is due on or before the first practice and after the Athlete has made the team for cut sports. Non-cut sports will require payment at time of registration. **Registration for either the non-cut sport or Tryout Registration for cut-sports is required before a student can participate in anyway.**

- Cash payments cannot be accepted at your school. Payments can be made online at www.kyrene.org/eservices.
- Cash payments can be accepted at the District Office.
- TAX CREDIT: All athletic participation fees qualify as an Arizona Tax Credit, tax credit receipts area mailed out in January for donations made the previous year. Your tax credit donation must specify Kyrene Athletics at the time of tax credit donation to apply to both athletics and your child's school, you will need to make two separate donations. Tax credits are nonrefundable and non-transferable.
- Returned checks or declined credit cards will be assessed a \$15 non-sufficient funds fee and the student may be required to drop the team if the current outstanding balance is not paid immediately.
- FINANCIAL ASSISTANCE: is available for the Kyrene Athletic Program. An application process and approval is required. All financial assistance applications must be turned in prior to registration. [Financial Assistance Application](#)
- REFUNDS: Refunds will not be issued in most cases (i.e. dissatisfaction with sport, "changed mind", suspension), but will be considered in certain circumstances at the discretion of the District Athletic Director.
- Athletes will not be able to participate in practice or games until the fee is paid.

SPORTSMANSHIP AGREEMENT

Parents and spectators agree to encourage good sportsmanship by using positive comments for all players, coaches and officials. Parents and spectators understand that players, coaches and officials can (and will) make mistakes. Parents and spectators agree to be supportive of all participants, thereby ensuring an enjoyable experience for all. Parents and spectators understand that spectators who do not adhere to these guidelines may be asked to leave the event and may be banned from all future athletic events.

UNIFORMS & EQUIPMENT

All athletic clothing/equipment must be returned to your school's Athletic Secretary no later than one (1) week after the season has ended. Failure to comply with this rule will result in lunch detention every day until uniform is returned.

Athletic clothing must be washed and handed back to the school's Athletic Secretary. Students must sign the return form, do not leave uniform on desk.

Parents/Athletes are responsible for paying for any lost or damage uniforms or equipment. Please see your school's Athletic Secretary for replacement costs below per sport.

WEDNESDAY AFTER SCHOOL SUPERVISION AGREEMENT

All athletes must make arrangements in regards to transportation and/or childcare after school on Wednesdays. Athletes must leave campus when school is out and may not return until 3:30p unless prior arrangements have been made by their coach. Teachers/coaches have professional responsibilities on Wednesdays until 3:30p.m.

EMERGENCY SERVICES

Parents agree to the following: "In the event of an emergency where I cannot be contacted, I consent to my child being taken to the hospital emergency room at the discretion of school or emergency personnel. I acknowledge that any expense for emergency transportation and/or treatment shall be the responsibility of the parent or legal guardian."

MEDICAL INSURANCE

Athletes must be covered by a medical insurance policy which includes coverage of an injury in a school supervised game and activity. Insurance policy information is collected through the tryout/sport registration. Parents are required to provide the District immediate notice of any change in the insured status of their student participant. Parents are reminded students will be prohibited from participating in athletic activities if they do not have health insurance coverage.

If you do not have your own insurance, school day or 24-hour accident insurance is available through a private insurance agency. This insurance is optional. Information on this insurance policy is given to each student at the beginning of the school year. Claims are handled by the insurance carrier and are not processed by the school district. A full summary of coverage is provided on the application form that the student receives. Additional forms may be obtained in the school office.
