6th Grade- School Supply List for 2023-2024 (updated)

For the Grade Level Supply List- We understand it may be hard to find all the specific colors so it is alright to have duplicate colors for the 3-prong plastic folders, composition and/or college-ruled 70-page spiral notebooks. The goal is to have a designated place for your work in each class.

Here is a helpful link to Amazon to order plastic 3-prong folders in several colors (12-pack) allowing for one folder per class, per semester.
