Altadena Middle School Mini-town

Camp Shadow Pines In Heber, AZ

Thank you for your interest in being a cabin counselor or CIT at our Altadena Mini-town scheduled for Oct. 18th – Oct 20th and Nov. 8th – 10th. We are excited about Mini-town. I know it will be an experience of a lifetime for the staff and students who have the opportunity to attend.

The overall goal of the Altadena Mini-town is to offer students the opportunity to learn about prejudice and discrimination, and their effects on others within our society. The objectives of the Altadena Mini-town (modeled after Anytown USA program) are to teach leadership skills for a pluralist society, to nurture a sense of individual self-worth, and to promote cultural awareness, understanding and the celebration of diversity.

The camp counselors/CITs play a central role in the Mini-town program. They work closely with the students in discussion groups, workshops, and evening programs. The counselors have many leadership and program responsibilities related to the supervision and interaction of the students who are assigned to their cabin. If you are interested in being a counselor/CIT for our Altadena Mini-town, please complete the attached application and return to the bin at the office at Desert Vista no later than Wednesday Sept. 18th. There will be a mandatory staff training, Sunday September 29th from 8am to noon. Please indicate on your application whether or not you will be able to attend the staff meeting. It is very important for you to attend to meet other staff members and to review expectations of camp.

If you have any questions or concerns, please email Anna at abailey@kyrene.org or Josh at jjolin@kyrene.org. We look forward to working with you and promoting the Minitown spirit!

Sincerely,

Anna Bailey and Josh Jolin
