

1. Fold a sheet of paper like a *hot dog*.

2. With the paper horizontal, and the fold of the *hot dog* up, fold the right side toward the center, trying to cover one-third of the paper.

- **NOTE:** *If you fold the right edge over first the final foldable will open and close like a book.*

3. Fold the left side over the right side to make a book with three folds.

4. Open the folded book. Place your hands between the two thicknesses of paper and cut up the two “valleys” on the top layer ONLY along both folds. This will make 3 tabs.
