

Arizona tax payers can receive a dollar-for-dollar tax credit when they contribute to extracurricular activities in public schools. Tax credit donations help students attend activities like athletics; art and music programs; character education; and field trips. When you make a tax credit donation, you can reduce the amount of taxes you owe to the State of Arizona. The amount you contribute (up to \$200 for single taxpayers or \$400 for married couples filing jointly) will be the amount you may claim as a state tax credit. Begin the donation process by visiting the Kyrene tax credit donation webpage or following the QR Code Below.
