

<p align="center">Human Growth and Development and HIV/AIDS Education Scope and Sequence</p> <p>All Human Growth and Development offerings in Kyrene have been vetted through a steering committee, approved by the Governing Board, are offered in only in grades 5 through 8, and require parent permission for participation. Comprehensive Human Growth and Development teaches about abstinence as the best method for avoiding Sexually Transmitted Infections and unintended pregnancy but also teaches about condoms and contraception to reduce the risk of unintended pregnancy and of infection with Sexually Transmitted Infections, including HIV. It also teaches interpersonal and communication skills and helps young people explore their own values, goals, and options.</p>
